

PAUL QUINN DAVIS

Design Principal

Mr. Davis is a founding partner of DRDS, a design focused architectural practice working on large scale projects internationally. He is a recipient of Progressive Architecture Magazine's Young Architect Award, a national citation for achievement in architecture. He has designed many award winning projects. Notable is Paul Brown NFL Stadium in Cincinnati, Ohio which received an American Architecture Award and ranked 101 by the Wall Street Journal in an AIA poll of the best 150 buildings in America. He received 5 design awards from AIA Los Angeles Chapter for Paul Brown Stadium, Hiroshima Ballpark, Hamyang Four Season's Eco Resort, Samsung Bromex Masterplan and recently NHN's new corporate HQ in Seoul, Korea. He is also the recipient of Interior Design Magazine's "Future Furniture Award and is published in numerous books and magazines globally.
